Legend

- A. To Molotov
- B. To Zavod 33
- C. Sibirski Tract (Sibirski Highway)
- D. Plant No 19

- 1. Administration
- 2. Building, no details available.
- 3. Water tower.
- 4. Old test stands, scarcely ever used.
- 5. Workshops, probably assembly department.
- 6. Twelve test stands, which were renovated or newly constructed. Two of these test stands had been in operation since 1947, and the last three were completed in March 1949 except for their equipment. The instrument desks bore letterings of the Argus Firm in Berlin-Reinickendorf.
- 7. Travelling crane.
- 8. Locksmith's shop.
- 9. Mechanical department, partly equipped with dismantled German machinery.
- 10. Foundry.
- 11. Heating plant.
- 12. and 13. Workshops.
- 14. Loading ramp.
- 15. Main entrance.
- 16. Side entrance.
- 17. Dump for raw materials and scrap.
- 18. [REDACTED]

- E. Stalinski Square.
- F. Municipal Power Plant.
